Summary: 14:15 I left a message on Mr. Palmer's voice-mail for him to get back in touch with me regarding the company's federal license for radioactive materials.  
3/14/2007 09:15 I spoke with Mr. Ryan who is listed as the Radiation Safety Officer(RSO). He stated that the duties of the RSO had been transferred to Ernest Voyce at the end of 2006.  
09:30 I spoke with Mr. Voyce who is the Acting RSO. He stated that he has been in contact with Sattar Lodhi, Ph.D. and Michael Perkins of the NRC Region I office. He did not realize that the license needed to be amended for the change in RSO when he was given the position. A facsimile was sent in March 13, 2007, detailing changes in the organization and a request to renew the license. I thanked Mr. Voyce for the information.
